Brief Details.

I am lodging this report as I wish to make several amendments vide to my previous report T/20191023/2071:

On the 23/10/2019 at about 1000hrs, I was travelling along PIE towards KJE in my vehicle SLH6575J. At that point of time, I am travelling at lane 4.

Suddenly, I felt an impact on the rear right of my vehicle and I then came to realized that another vehicle, JRB8921, collided onto the rear right of my vehicle when he was changing lane from lane 3 to my lane.

No one was injured and no government property was damaged. I do have an in-car camera however only recording the front view. My car had damages on the rear right door such that it could not open.

Traffic Police and Ambulance was not at scene.

Both of us then proceeded straight to the Police station after the accident.
