**Brief Details.**

On the above mentioned date time and location,

I was travelling along Woodlands crossings on the second lane. There was a vehicle on my right. The vehicle did not signal, hence swerve into my lane. I tried to avoid but I did not have time to react. Due to that, I had to collide with the vehicle rear left portion and fell off my vehicle. Someone brought me to the hospital. The driver told me not to make any report, settle things personally. Also the driver gave a sum of money of 300RM. Later that evening, I called the driver and the driver said that he already lodge a report. That's all.
