Brief Details.

On 10.11.2019 at about 0120hrs, I was driving my car EM1175U and was travelling along Dunearn Rd towards Upper Bukit Timah. I was driving at the 2nd lane of three lane road. At that time, the weather is clear and the road surface is dry.

While at the traffic junction of Dunearn Rd, the traffic light turned green and I slowly move off. Out of sudden, a taxi SHD1108B, travelling from Clementi Rd, dash out. I could not react immediately and collided with the taxi front right portion.

My wife and I came out of the car and check on the accident. The taxi driver also came out from her car and check on the accident. A passerby witness the accident assisted me to call for Police and Ambulance assistance.

Upon the Police and Ambulance arrival, the Police officers access the access accident and paramedics attended to my wife, myself and the taxi driver. The paramedics told me that there is a long queue at Ng Teng Fong General Hospital and I decided to proceed to Mount Alvernia Hospital by my own transport.

While at Mount Alvernia, my wife and I were check by the doctor and were given 5 days of MC individually. There is also no serious injury found on myself and my wife.

I wish to state that this is the first time it happened to me and there were few witnesses saw the accident.
