Brief Details.

On the 16/11/2019 at about 0730hrs, I was driving along Ang Mo Kio Street 11, it was a 2 lane road and I was on the 1st lane(Right side) going straight. The lane I am travelling on has the arrow pointing forward as well as an arrow pointing right. As I was driving straight pass the junction, a car on my left side which was slightly in front of me make a sudden right turn without any signal intending to make a right turn at the junction. I tried applying my emergency brake however I did not manage to stop in time and the vehicle in front of me had hit onto my left side of my vehicle.

We exited the vehicle to take picture of the accident and exchange particulars. The purpose of this report is for my insurance claim. I also wish to state that I have an in car camera in my vehicle.
