**Brief Details.**

On the 20/11/2019 at about 1915hrs, I was driving my vehicle SJP4307L along the fourth lane of Loyang Avenue. At that point of time, my mum was in the vehicle as well. As I was approaching pass the bus stop (Bus Stop Number: 98011), I observed that there was a mini-bus in the bus stop; signalling his intention of coming into the lane that I was travelling along.

As I started to drive next to the bus stop, the mini-bus started to drive into the said lane and as such, a white vehicle in front of me applied its brakes and came to a stop. Upon seeing that, I immediately applied the brakes and managed to stop in time as well.

Immediately after, I heard a screech before feeling an impact coming from the rear of my vehicle. I then made a check and found out that a police vehicle (QX783X) had collided onto my vehicle. The collision caused my vehicle to inch forward but did not collide onto the said white vehicle in front.

I then spoke to the officer who was driving the police vehicle and was informed that after seeing my vehicle braked, he also applied the brake but as the road surface was wet, his vehicle skidded; resulting in the collision.

Not long after, traffic police attended to us and issued me with a case card (Case Number: G/20191120/0167) and instructed me to lodge a traffic accident report. I wished to inform that no one was injured in this accident.
