Brief Details.

On 21/11/2019 at about 2230hrs, I was driving along Eunos Avenue 3 towards the direction of Paya Lebar Square. As I drove and my vehicle approached a X-junction, I came to a stop before the stop line and made a check. After ensuring that there were no incoming vehicles on the opposites lane, I proceeded to accelerate my vehicle. Suddenly, a lorry drove past the front of my vehicle and I was unable to stop in time. My vehicle then collided with the side of the lorry. The lorry then toppled to its right side and my car swerved to the right side of the road. I then get out of the vehicle and called for police assistance. Several bystanders then came forward and offered their assistance to help me and my passengers, as well as to help the lorry's driver get out of his lorry. Thereafter, police officers and paramedics came to the location and offered their assistance. One of my passengers - Chow Hoon was then conveyed by the ambulance away to Tan Tock Seng hospital as he was feeling unwell. I was then advised by the traffic police officers to lodge a police report. I wish to inform that I have no CCTV in my
