Brief Details.

On 23/11/19 at about 1230hrs, I was driving my vehicle (BJP3288) along PIE towards Toa Payoh. At that point of time, I was driving along lane one and the traffic was very heavy. Suddenly, I felt an impact from the rear of my vehicle. Subsequently, I went down I realized that a vehicle(SGT3059Z) collide into my rear of my vehicle. We then managed to exchange particulars for claiming insurance purpose.

There is no Police/Ambulance attended to us at that point of time. I got no in car camera inside my vehicle but I believed the vehicle of SGT3059Z have a built in camera inside his car. Both of us suffered some pain and injury during the accident and will be going to consult a doctor thereafter.
