Dear Khanchna

Reference to your email dated 14 Oct 2020.

We view that your offer for Loss of Revenue is extremely low for a Driving School. Driving Centre vehicle is for professional instructors to provide excellent coaching to Learners with guidance, imparted with safety driving knowledge and instilled with positive values to be a socially responsible driver on the road. The loss is therefore one of Loss of Revenue instead of loss of rental/use that is usually accorded to a non hire vehicle e.g. private passenger car.

Please revise your offer and look forward to your settlement soon.

Thank you.
