Dear Sirs/Mdm,

ACCIDENT INVOLVING PC 8003J(III) AND SLB 7997A ON 29/11/2019

We refer to the above matter.

Please be informed that third party had rejected our offer at 50/50 and submitted scene photos for our review. Scene photos from third party had been uploaded in Merimen.

Based on the photos, there were only 2 lanes from the right for vehicles to make a right turn at the junction. However, the final position our insured bus is unlikely that he was making a right turn on the 2nd right lane. We are of the view that third party version is more probable.

Kindly let us have your views/instruction in Merimen.

Thank you.
