Hi Mr Meka,

We refer to your below email.

Please be informed that third party had no video footage or witness statement. They only had accident scene photos which shows that our insured taxi was in between 2 lanes while third party vehicle was within his own lane. Third party claimant is not willing to accept 50/50 as he insisted that he is not liable for the accident and will pass the case to lawyer if no amicable settlement.

Kindly assist to review this matter and let us have your mandate in Merimen.

Thanks.

*Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.*
