Brief Details.

On 08/11/2019 at about 1112hrs, I was driving my vehicle bearing the registration number of GBJ1872S, along Central Expressway near to Outram Exit. During the period of time, in front of my vehicle is one SLD886Y. During the period of time, the traffic was congested with other road users and also it was raining.

As I was moving slowly, the vehicle in front of mine started moving off. I then followed suit behind the vehicle. All of a sudden the vehicle in front of mine suddenly emergency brake and I tried to follow suit however my vehicle skidded and subsequently hit onto the vehicle in front of mine. I also felt a pushed from the rear of our vehicle. I then went down to make a check and discovered that my vehicle was involved in a chain accident with a total of 5 vehicles one of which is mine.

During the period of time, no one was injured and after exchanging contact numbers, we left the vicinity. I am lodging this report as the vehicle behind of mine was a government vehicle.
