Attachments: approved_reporting_centres AIG.pdf

Dear Mr. Pieter De Ridder,

We refer to the above matter and your e-mail below.

Please be informed that "GIA" stands for General Insurance Association. You may proceed to lodge your GIA accident report at any of the AIG's approved accident reporting centres (as per attachment) and you will also need to bring your vehicle (regardless of whether it is damaged) promptly.

Please ensure to bring the following with you to the accident reporting centre:

- Your NRIC or other identification documents and driver's licence.
- For company-registered vehicles, your company stamp.

For more details on accident reporting, please refer to the [GIA Motor Claims Framework](#).

Thank you.

"Best Wishes for Merry Christmas & Happy New Year 2020"

Best Regards,
Khanchna | Case Handler

Subject: Accident involving SJG1505Z and SHA 2306E on 2 Dec 2019

Dear Mr or Mrs Khanchna,

I refer to your letter dated 17 December 2019 (your ref: CC4/AIG19021468/Gka3) addressed to me, which I found upon my return to Singapore last night from an overseas trip. Can you help me understand what is a 'GIA report' and could you please help me with the GIA report form?

I can tell you now that I barely touched the car quoted in your letter, as you will also see when I send you the pictures taken at the scene. I am actually surprised seeing that they made a claim against me, as I kept a safe distance of 10

meters. The other car suddenly braked and came to a standstill as we were approaching the tunnel leading to the highway. I suspect the other car was too close to the one in front of it.

I look forward to hearing from you how I can make the GIA report as I have never been in an accident allegedly caused by me before.

With kind regards,

Pieter de Ridder
