Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

Please be informed that liability is unclear as our insured driver is disputing on third party claim. Attached is a copy of insured report for your easy reference.

As per EQ instruction, we would like to request for evidences (ie: video footage/ scene photos / PIR) for our necessary action.

Appreciate an early reply.

“Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement.”

Best Regards,
