Dear Yvonne,

After the resurvey conducted. We estimate approve parts and labour is \$94,000 (After 20% parts discount) before any supplementary.

There is high possibility gearbox and suffered structural damage.

Therefore, we propose total loss this vehicle.

Brief Details.

On the abovementioned date, time and place, I was driving my car (SMN7347B) along Hoot Kiam Road and was about to make a turn onto Grange Road as I observed that the traffic light was green and that there was no incoming traffic. As I was making the turn, a taxi (SHA2504A) sped down Paterson Hill towards the junction. I did not apply my brakes as I was about to complete the turn. The taxi did not slow down or stop and thus collided head on into my car.

After the collision, we got down from our cars, checked the damage and exchanged particulars. I then proceeded to take care of my wife who was in my vehicle at the time of the accident. I noticed that one of the taxi's passengers call for the police and ambulance.

The traffic police and ambulance came shortly afterwards and one of the taxi's passengers were conveyed to the hospital. The traffic police then provided me a case card (Vide: E/20191208/0089). I am now making this report as instructed by the traffic police earlier to facilitate investigations.

I wish to add that my car's front was seriously damaged and I am unsure about the costs of repairs.
