Brief Details.

On 12/12/2019 at about 0800hrs, I was driving my company's car, SJP6601Z along Lornie Road toward Braddell road direction before Thomson exit. I was on the third lane of the five lanes road. On my lane, there was a traffic accident ahead at such the traffic was heavy and I came to a stop. I look at the rear mirror and spotted a car, SLM1597C coming fast and collided into the rear of my car. The impact caused my car to move forward and collided into a car, SLJ2875J which was infront of me. Due to the impact, my car front and back portions were damaged. We exchange particulars and left. After which, I received a call from the traffic police that the passenger of SLM1597C was conveyed to the hospital. I felt pain on m neck and went to Crescent Clinic & Surgery for a check. I was given 2 days of medical leave.
