Hi Saliha,

We refer to the email below.

Insured have called our office to discuss on the matter, our assessment of the case is 50/50 both party making a left turn.

Based on the scene photo in the GIA report does not show either party encroach lane.

However we will reject third party claim based on your instruction.

Thank You.

Best Regards,

Dear Asher,

We have received call from insured- he's not happy to receive your letter asking for evidence when he has provided scene photos during report.

He also informed that he had spoken to you on this matter and dispute on liability. **-can you please confirm on this? I did not see any notes updated in Merimen.**

Nevertheless, based on the photo attached in GIA report, **page 20** -please proceed with rejection as OI's version is more probable.

Kind Regards,  
Saliha
