POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. L/20191105/7009

We parked our car at the n was walking wen we saw paint mark and scratches at the front left of d car, front passenger side. These are scratch marks on d front headlight and car, in white colour.

We quickly checked d video footages of our car camera n noted that a white van drove off. While d van came out of the lot and turned, my car shook, which is d impact.

I guess the van driver noted d impact as instantly he switched on his hazard light n continued driving.

I read online that if u on yr lights, the light will dim d visibility of d number plate.

I called up my motor insurance FWD this morning n was told that this is a hit n run case. A police report has to be made.

I am unable to upload the video here.
