Brief Details.

On 03/01/2020 at about 1748hrs, I was driving my vehicle (SLA7692J) along AYE heading towards the direction of city. There a total of 5 passengers inside the vehicle and my brother in law was seated beside me. I was travelling on lane 1 of the expressway. While I was driving, I noticed the vehicles ahead of me was braking due to the braking light, and eventually come to a halt. Hence, I also slow down and my vehicle also came to a halt.

About a second after my vehicle had come to a complete halt, out of a sudden, I felt an impact coming from the rear. I immediately engaged the gear of my vehicle to park mode, pull the hand brake and press on the hazard light. Before I came out of my vehicle, the lady driver who was ahead of me came out from her vehicle and checked her car as she thought that my vehicle had collided onto her car. I came out and told the lady driver that her car was not involved as my vehicle was collided by a vehicle at the rear.

CONTINUATION OF REPORT

I walked over to the rear of my vehicle and by then the driver of the vehicle (SMH5467E) whom had collided onto my vehicle also came to approach me. The driver kept on apologizing to me. I went over to open the back passenger door of my vehicle to ask if anyone was injured. 3 of the passengers who was seated at very rear of the 7 seater car claim that they felt pain on their neck and shoulder. I then made a check on the damages to my vehicle and I noticed that the rear of my vehicle was badly dented due to the collision. I then told the driver that I had to call for police assistance due to injury suffered by my passengers which the driver acknowledged. While waiting for the arrival of the police, I exchanged particulars and took photos of the accident scene.

Shortly afterwards two traffic police officers came and questioned both parties about what had happened. I explained to the police officer about what had happened and while explaining, one ambulance vehicle came to scene. The paramedics then treated my brother in law and my elder sister however nobody was conveyed by ambulance to hospital. I told the police officer that since nobody suffered any serious injury at that point of time, both parties agreed to settle via our own insurance. I then left the accident scene as my vehicle was able to move and no towing was needed. My vehicle has an in car camera which captures the front and rear view and my in car camera had captured the footages of the accident.

I send my relatives back to Pan Pacific Hotel and I told them that to seek medical treatment if they do not feel well.

On 04/01/2020 at about 1400hrs, I picked up my relatives and send them to Changi General Hospital as they informed of pain on their neck, shoulder and numbness on their arm.

My daughter (Lee Chien Hui Petrina) was given 5 days of Medical Leave.
My niece (Caroline Tan Sue Lin) was given 5 days of Medical Leave
My elder sister (Lee Guat Kim) was given 3 days of Medical Leave.
My brother in law (Tan Hock Keong) was given 3 days of Medical Leave.
