Hi Vic

I am attaching the complete videos of this minor accident as I realized the earlier copy sent to you was a cut-off version. Hope it helps for the evaluation. Thanks.

Dear Vic

Further to the pictures and notes sent to you, I am also attaching video of the accident for your information.

As you can see it was a minor accident and the driver and me exchanged all info in good health. Its surprising that the other vehicle can claim a serious accident when it was just a slight hit as you can see in the video. I wonder how much false claims can be made. I request your close evaluation of everything and have the surveyor to judge based on the pictures. Thanks.

Dear Vic, please see attached pictures of his car and my car on the road after hit. It was just a tiny scratch on his car back and no scratch on my car. I am driving a Mitsubishi Attrage which if hit hard sure my car would have a dent and or at least some scratches. It was just an inch scratch on his car. Thanks for your help.
