**Brief Details.**

On 4th January 2020 at about 0915hrs, I was travelling along BKE towards PIE. I was on the middle lane, when all of a sudden the vehicle in front of me, SCW585B, did an emergency brake. I was unable to stop in time and tried to sway my vehicle towards the left, however, my vehicle still collided into the rear left bumper of the vehicle.

There was a motorcycle travelling behind me, who also swayed his vehicle to the left to avoid hitting me however was unsuccessful. The motorcycle then collided onto the left side of my vehicle.

There was a vehicle on the left lane, SLW5400H, however he was not involved nor did he collide into any of us. I am not sure if there is a camera in that particular vehicle.

Traffic Police and Ambulance was at scene reference incident number F/20200104/0109. The motorcyclist was conveyed to the hospital. I am not injured and there were no passengers in my vehicle.
