Dear MDM NEO IN NEE

Your Vehicle SMR4809J Has Been Deregistered

The above-mentioned vehicle was deregistered on 09 Jan 2020. If the vehicle is yet to be disposed of, you should do so by 09 Feb 2020. Scrap it (including the engine and chassis) at an LTA-authorised scrapyard or submit to LTA documentary proof that the vehicle has been permanently exported out of Singapore. Otherwise, it is an offence and the penalty is a fine of up to \$2,000 and imprisonment of up to 3 months for the first offence. Subsequent offences carry heavier penalties.

We have granted the following rebate(s) to you. You can use the rebate(s) if there are no outstanding matters with the vehicle, e.g. there are no road tax arrears, the vehicle financing is settled, you have submitted documentary proof that the vehicle has been permanently exported out of Singapore to LTA, etc.

PARF Rebate Amount : \$19,747.00
PARF Rebate Reference No. : 2049253JP0000
Expiry Date of PARF Rebate : 08 Jan 2021

COE Rebate Amount : \$7,433.00
COE Rebate Reference No. : 2049253JC0000
Expiry Date of COE Rebate : 08 Jan 2021

You must use the PARF/COE rebate(s) before it expires. Go to www.onemotoring.com.sg > Digital Services and search for the services below:

- Encash PARF/COE Rebate
- Transfer PARF/COE Rebate

What You Need To Do:

- Dispose of your vehicle if you have not done so.
- Use your PARF/COE rebate(s) before it expires:
 - PARF expires on 08 Jan 2021.
 - COE expires on 08 Jan 2021.
- Encash, transfer or offset fees on your new car with the PARF/COE rebate(s).
- Use your COE rebate to offset the Prevailing Quota Premium (PQP) when you renew the COE of your existing vehicle.
- Login to www.onemotoring.com.sg to enter a valid refund bank account to receive your rebates via GIRO if you are encashing your rebate.

You can also use your rebate(s) to offset fees (e.g. Additional Registration Fee, Registration Fee, Used Car Surcharge, Vehicular Emission Scheme Surcharge or Quota Premium for your COE) for a new car registered in your name. You can check with your motor dealer on how to do so. You can also use COE rebates to offset the Prevailing Quota Premium (PQP) to renew the COE of your existing vehicle.

Any unused portion of the road tax will be refunded to you.

The procedure to dispose of a vehicle is attached for your reference.

Visit www.onemotoring.com.sg for more information and to access a wide range of vehicle-related services. If you need a SingPass or CorpPass account, visit www.singpass.gov.sg or www.corppass.gov.sg.

Yours sincerely

Assistant Registrar of Vehicles

PROCEDURE TO DISPOSE OF YOUR VEHICLE

There are three ways to dispose of your vehicle:

- Scrap it at an LTA-authorised scrapyard
- Store it at an LTA-authorised EPZ, pending export
- Export it

If you scrap your vehicle at a scrapyard or store it at an EPZ, the scrapyard or EPZ will send the disposal records to LTA on your behalf. If you export the vehicle, you will need to submit the export documents to LTA.

• **Scrap Vehicle at LTA-authorised Scrapyard**

Tow or transport your vehicle to an LTA-authorised scrapyard. The person disposing of the vehicle at the scrapyard must bring his/her original NRIC or Employment/Immigration pass card (issued by MOM or ICA). The vehicle cannot be driven there, as it is an offence to use a deregistered vehicle.

The disposal details will be submitted on your behalf to LTA.

• **Store Vehicle in LTA-authorised Export Processing Zone (EPZ), Pending Export**

Arrange with an LTA-authorised EPZ operator to store your vehicle.

Tow or transport your vehicle to an LTA-authorised EPZ. The person disposing of the vehicle at the EPZ must bring his/her original NRIC or Employment/Immigration pass card (issued by MOM or ICA). The vehicle cannot be driven there, as it is an offence to use a deregistered vehicle.

The disposal details will be submitted on your behalf to LTA.

A vehicle can be stored in an EPZ for up to 12 months. Once your vehicle exits the EPZ, you must submit the export documents to LTA via the EPZ operator within 14 days.

• **Export Vehicle**

Export the vehicle yourself, or engage a motor dealer to help you. Use a CaseTrust-SVTA-accredited motor dealer for greater assurance.

After your vehicle is exported, submit the export documents to LTA online at www.onemotoring.com.sg > Digital Services > Upload Disposal Documents. The export documents you need to submit are:

- Duly endorsed* Singapore Customs Cargo Clearance Permit (CCP) and non-negotiable Bill of Lading, for vehicles exported by ocean.
- Duly endorsed* Singapore Customs CCP and Malaysian Customs' Inward Declaration Permit, for vehicles exported by land.

The engine and chassis numbers of the vehicles must be included in these documents. The CCP need not be endorsed if the vehicle is declared as "containerised".

Alternatively, you can submit a copy of the foreign registration document(s) as proof of export.

Note:

You have to pay any outstanding road tax arrears. Any unused road tax will be automatically refunded to the last-registered owner.

If you wish to retain the registration number from your deregistered vehicle to be used on another vehicle under your name, you must do so within 1 month of deregistering the vehicle.

To find out more details on number retention, deregistration and disposal of vehicles, visit www.onemotoring.com.sg.

Thank You!

You have uploaded disposal document, and it may take up to 3 working days to process your application.
