CONTINUATION OF REPORT

Brief Details.

On 10/01/2020 at about 2025hrs, I was driving my vehicle SJG3366U, together with my husband in the vehicle, along Jurong West Ave 4 wanting to turn into Jurong West Street 72. When I was at the junction of Jurong West Ave 4 and Jurong West Street 72, traffic light was green in my favor. I then proceed turning into Jurong West Street 72, and while making a check on the opposite traffic, I felt an impact on my rear and realized that a motorcycle FBQ5978H had collided into my vehicle.

I then managed to exchange particulars and took photos of the scene. I believed that other party friends might had called for Ambulance. Ambulance arrived and conveyed the rider of FBQ5978H to NTFGH. Traffic Police was at scene and issued to case card and instruct to lodge a report. Due to the accident, my vehicle rear right low bumper was dislodged but still intact. My rear bumper was also dented.

I wish to state that there is front in-car camera installed in my vehicle and Traffic Police officer had seized the memory card. No injuries on myself and my husband.
