WITHOUT PREJUDICE

Dear Sir/Madam,

We refer to the above matter.

Based on all documents at hand and damage profile, we noted that the third party vehicle had head to rear end our Insured vehicle.

We append below accident photo from our Insured which shows that our Insured vehicle was within his lane.

As such, we opine that liability is down against your client and we have our principal's instruction to reject the claim and we are unable to look into your client's claim.

We will close file accordingly.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."
