Brief Details.

On 07/01/2020 at about 1pm, I was waiting in my vehicle bearing the registration number SLS530U for a parking lot at the OSCP of Blk 639 Bukit Batok Central. Suddenly, a lorry bearing the registration number YN7858B drove past my vehicle and had its driver's side door swung open. The said driver's side door then hit onto my front right bonnet causing damages. However, no one was injured. I then stopped the driver of the other vehicle to exchange particulars to facilitate insurance claims. I believe this is an act of careless driving by the other party. I am lodging this report for Traffic Police to take necessary action against the other party. That is all.
