### Brief Details.

On 13/01/2020 at about 0920hrs, I was travelling along Toh Guan Road turning left towards Toh Guan Road East industries area. I was riding at about 40km/h and was about to make a left turn at the Toh Guan Road zebra crossing towards Toh Guan Road East. Out of a sudden, a black Honda vehicle (SMN3957S) hit onto my rear motorcycle and caused me to fly out of my bike about 4m away. Subsequently the driver of the black Honda came out of her vehicle and made a check on me and asked whether I needed an ambulance which I said no. Both of us then agreed to settle among our insurance company and exchanged both our particulars. I then went to seek treatment at National University Hospital on the same day and was given 3 days of MC.
