CONTINUATION OF REPORT

Brief Details.

On 11/01/2020 at about 1940hrs I was driving my Transcab taxi bearing registration number SHD5211J along Hillview Avenue towards Bukit Batok Street 25 on the most right lane and nothing was amiss.

On the same day at about 1945hrs upon reaching the traffic junction Hillview Avenue and Bukit Batok East Avenue 2 I wanted to make a right turn and it was then I noticed that the traffic light was indicating red. Hence I made a stop.

Not long after I felt a loud impact from the rear portion of my vehicle. I went down to make a check. It was then I discovered that the vehicle behind me bearing registration number SLL8084A had collided onto my vehicle rear portion.

The driver was one namely Mr Lim (Unknown details) who claimed that I had reversed my vehicle resulting to the collision.

No one were injured at that point of time. There is no Traffic Police activated. Both drivers then agreed to pursue personal insurance claim.

I wish to state that both vehicle suffered minor damages and are still able to move off. There is an in-built CCTV installed in my vehicle.

Soon both parties then left scene.

On the same day at 2125hrs, I then went to Singapore General Hospital as my chest were in pain. I was then given 4 days medical leave.

As such I am making this report for Traffic police assistance.
