 Dear Jasper Chua

Ref to your letter on 13 Feb 2020 regarding the above, I wish to highlight that I am not totally at fault as the grab driver was driving fast and did not slow down and hit my car's left side. Please refer to my video record to show that I waited until 2 vehicles passed me before I move to the left. The vehicles had stopped in front due to heavy traffic. I had travelled nearly halfway into the next lane before he hit me. I did not claim as the damage was minor and I need to get it fixed before Chinese New Year.
Please investigate against them as they need to bear responsibility for this accident.
Thanks.

Yours faithfully,

Liew Min Hin
