**Importance:** High

Dear Jasper Chua,

I received a letter from AL&T for personal injury claim arising from the accident.

The letter was dated 27 March and would require an acknowledgment within 14 days. I believed the letter was also sent to China Taiping Insurance (Motor Claims Department). I just opened my mailbox when heading home and saw the letter today at 9 April 2200hrs. I tried calling your office but there was no answer. Is there any action required by me for the claim?

I would be glad to discuss the matter with you in more details. I understand that 10 April is a public holiday. I'm not sure if China Taiping or LKK office would be open for my enquiry. Could you contact me at 96951843 earliest possible?

Thanks and Best Regards,  
Lee Yong Jie
