**Brief Details.**

On 04/09/2019 at about 1725hrs, I was driving the CNB van, PC7477G along College Road leading to the slip road to CTE when I met up with an accident involving another vehicle SLR7380U. During that period of time, the traffic was heavy and I was driving behind the said car, SLR7380U and going very slowly. As the traffic was slow, I had to apply intermittent braking along the way and at one point of time, I lose my concentration and brake abit slower causing my van to hit onto the rear of the car infront of me. Nobody was injured during the accident and the CCTV inside my van was faulty.
