**Brief Details.**

On the 12/01/2020 at about 1100hrs, I was riding my motorcycle along Joo Chiat Road and at the junction of East Coast Road, I turned right to East Coast Road towards Bedok. While travelling along East Coast Road about 10 metres after the junction, a car which was parallel parked on the left side of the road suddenly just swerved out into my lane. I could not stop in time and the right side of the front bumper of the car hit into the left side of my motorcycle. As a result my motorcycle went towards the centre divider and I was flung forward from my motorcycle.

I laid down on the road for a couple of minutes and then I got up and took photos of the accident. A few passerby came to help me move my motorcycle to the side. The traffic police came and gave me an incident number, G/20200112/0103. The ambulance came and conveyed me to Changi General Hospital where I was given 3 days of MC. I sustained some pain and bruises on both knees, butt, lower back and right shoulder.
