SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was filtering along braddell road towards too Payoh. Vehicle B was stationary along the stop line to give way to oncoming traffic. I slow down and stop behind vehicle B. My vehicle was stationary for few seconds when suddenly passenger of vehicle B came out from the car and inspected the rear. A second later, the driver came and to check driver then look at me and claimed that i had knock against her vehicle. I was shocked as i did not felt any impact and there was no contact between both cars. The father passenger who was the driver father mentioned there was 'nothing' however the driver was unhappy about that comment. She then open^{ed} her car boots and show her dad some scratches which was irrelevant. I took photo of the rear of her vehicle as proof as no damage on both vehicle. To avoid further argument and causing a traffic jam, we exchange detail and drive off.

She texted me after hours and send me pictures that i had cause a scratch on her sensor which i find it not reasonable.

DECLARATION

I/We declare the foregoing particulars are true in every respect.
