Hi Lalitha,

As per our tele-conversation yesterday, I have contacted our driver Mr Ameer at 8497 4969 to verify the nature of accident on 05 March 2020. He said that he cannot remember what had happened. Informed him that third party had a copy of video footage to show that his van had hit onto third party's car from behind. He refused to talk too much and said that he tried to recall and call me back. I have tried to call him again this morning but his phone is offline.

Third party repairer is chasing for update/outcome. Kindly refer to the attached email for your easy reference. Third party claimant had provided additional information on this matter.

Kindly let us have your instruction on this matter.

Thank you.
