Dear Jasper,

We received a letter from you pertaining to the above subject matter.

Attached please see the photo of vehicle SJJ7727U at the time of the accident.

I don't think the damage is severe. In fact, SLG3758Z has suffered much bigger damage which the repair cost ended up more than \$13,000. We went ahead to claim our own insurance and it has been done and approved. We understand that we are highly likely the party who is wrong in this kind of front-back collision.

Since we have already claimed against our own insurance, we are fine for SJJ7727U to claim against our policy.

Should you need any clarification, please contact me at 96174709.

Regards,
Edward Chiu
