Brief Details.

On the 30/01/2020 at 1813hrs I was riding along Bedok North Avenue 1 heading towards New Upper Changi Road and as I was travelling straight, suddenly this one pedestrian came dashing out from between two buses and I had no time to react. As such I collided into him and fell off my bike, the guy also fell but quickly picked up and wanted to run back off to work. However there was an off duty police officer who was at the back of the line of the traffic during the time of the incident and she witness everything. She managed to get the pedestrian to come back while she called for traffic police and ambulance, shortly ambulance came to make a check on the pedestrian while traffic police came to record a short statement from me.
