Brief Details.

On 03/02/2020 at about 1045hrs, I parked my car at lot number 606 located at Laguna Park before proceeding for lunch nearby. All was intact.

On the same day at about 1308hrs, I went to collect my car. I then saw scratches at the front right portion of my car. I went home and view the in car camera and managed to spot that at about 1130hrs, a red car while turning out from the lot on my right, side swiped my car.

I wish to state that the footage managed to capture the driver and passenger of the red car and the registration plate number.
