Subject: [EXTERNAL] Claim Against SKK3693S

Dear Sir

I refer to my telephone conversation with Mr Shawn Low just now on the third party claim against my vehicle SKK3693S.

As mentioned, the driver and I have filed an accident report through S&H Motor Pte Ltd and understand that the photos taken by the workshop staff on the damage to my vehicle have been submitted together with the report.

Please see attached a photo showing the damage to the other vehicle SMQ6926X (area around the left rear wheel damaged) involved in the accident.

I also attach another photo showing that the back/boot of the car was not damaged for your reference. That vehicle was moved from its original collision position (encroaching onto the lane serving the opposite direction) to the front of my vehicle before the photos were taken.

Thank you.
