**Brief Details.**

On 09/01/2020 at about 1000hrs, I was traveling in my motorcycle (FBJ2022Y) along Marymount Road towards Novena. I came to a stop at the junction of Marymount Road and Top Payoh Rise as the traffic light was red. I felt an impact from the back which pushed me forward towards the right and I fell on the grass patch at the center divider. There were several other male subjects who came to check on me and one of them handed me a name card and told me that his in-car camera had captured the incident and he is willing to be my witness. One male Indian came to check on me and told me that he was the driver of the vehicle that hit me from behind. However, I did not manage to get his particulars and car registration plate number as I was giddy and in pain. Subsequently, ambulance came and I was sent to TTSH for treatment. I was discharged on the same day and given 5 days MC.
