Brief Details.

I was stationary along Bedok north avenue 3 towards Bedok reservoir road as it was red light where suddenly i felt a collision on the left rear side of my vehicle.

As I went down to check on the other party driver, he told me that he had fallen asleep and lost control of the vehicle and hence colliding on to my vehicle.

I made a call to the police and subsequently the ambulance and traffic police came down and the driver of the vehicle who collided on to me was being conveyed by the ambulance.
