Brief Details:

My car was parked at one of the parking lot along race course road outside the Foochow Methodist church. I was in the car when the incident happened. I felt an impact at the back of car and realised that was created by the car (SMF1902E) behind mine which was doing parking. I got down the car and check on the area that received the impact and realised the left side of the bumper suffered some damage. Exchanged of Contact number was requested but the other party Mr Mahantesh refused to. We have agreed to make a settlement via insurance, thus hereby lodging a police report. No at a pedestrian crossing.

The video shows the moment when the impact was received at the timeline of 00:05.
