Dear Sirs/Mdm,

We have reviewed the matter and based on all the available information on hand, we are of the view that liability is not in your favour as your vehicle had collided onto third party parked vehicle. Therefore, we shall proceed to negotiate for an amicable settlement of the third party claim at best to avoid further litigation, which would escalate to even more cost.

If you feel strongly against our settlement offer to the third party, kindly let us have them in writing within the next 14 days i.e. by **05/06/2020** and we will seek further instruction from our principal.

Thank you.

This car park facility is for 20 vehicles, as you can see on video a truck parked wrongly, make the manoeuvre difficult, I wasn't able to leave the car park on that day due to the situation. There is sometimes 28 vehicles parked there.

The truck parked wrongly is parked there since visitor are using the car park, the complainant is a visitor and should not park himself there, it s create difficult situation which lead to this kind of accident.
