Brief Details.

On 15/01/2020 at about 0840hrs I was riding along Kampong Java Rd towards Bukit Timah Road as I was from the most left lane I merged to the second lane. As I was riding on the second lane I was afraid of other vehicle driving behind me as such I was checking my back left blind spot, during the process of checking my blind spot, a vehicle from my right brushed against the ride side of my bike as such I fell. Subsequently the vehicle who hit me moved to the left side of the traffic and stopped. We exchanged our information and part ways after. The other driver was adamant that he was not at fault and did not want to settle it privately. My bike has received minor damages from the accident such as scratches on my right handle bar, right rear mirror, right fairing, right engine casing and the right side of my storage box. was damaged. I then proceed down to Edgedale Medical Clinic to consult a doctor regarding the injuries I have sustained. My right knee is scratched and my right foot is swollen. According to the doctor who attended to me, he suspect that my right foot might be fractured. The doctor gave me 4 days MC for the injuries that i have sustained, lasting from 15/01/2020 to 18/01/2020. I am lodging this report as I wish to pursue this matter and I am considering to lodge a civil case against him as he did not want to settle this matter privately at the point of time.
