Brief Details.

On the 12/02/2020, at around 1740hrs, I was heading out from Simei St 5 towards the main road of Simei St 3. The traffic light at Simei St 3 was red. Thus I moved forwards into empty space between two cars. My front of my vehicle was inside the lane then. I waited for the light to change. I noticed that the car driver behind was using his phone on his hand. Once the light turn green, suddenly the other car moved forward and front right side of my vehicle. No one was injured. My vehicle had front right bumper damage. The vehicle also suffered minor bumper damage. The other driver admitted to me that he did not see my vehicle or else he would not have move his vehicle forward.
