Hi Bryan

Thanks for taking my call earlier.

Attached is the email with the quote from Borneo who said that the survey can only be done after the circuit breaker.

Could you please do a paper survey on this? Photographs provided by the third party can be downloaded from: <https://www.dropbox.com/s/9mizc0h58w9ix4k/Viva%20Business%20Park%20-%20ceiling%20damage%20car.zip?dl=0>

We look forward to your reply.

Thank you.

Dear Shiao Chan

The owner has previously sent his vehicle for survey at Borneo and Borneo refused to give him a printed quote. We were then instructed by Thomas Pang to contact him for the quote.

To date, we have not received the quote. Would it be possible for LKK to obtain the quote from Thomas? The owner does not wish to send his vehicle back to Pandan for another survey which had already been done.

Do drop me a call if you require further clarification.

Thanks.

I currently have limited access to my phone. If you need to contact me urgently, please drop me an email and I will return your call when I am available.

Dear Shiau Chan

Thanks for taking my call earlier.

As spoken, this is a public liability claim where the third party is looking to us to claim for damage to his windscreen which had resulted from a fallen plaster ceiling.

He has previously sent in his car to Borneo to request for a quote but was asked to pay a fee upfront to print the quote. This was not obtained. However, he has provided us with the contact details of the claims assessor to provide with a verbal quote.

Understand that the vehicle is not in workshop. Would it be possible to arrange for a survey of the vehicle and please let us know the documents which you require.

Thank you.
