WITHOUT PREJUDICE

Dear Albert,

Based on the google map, we did not saw any signboard states that cannot made an U-turn on this road. Therefore, our principal maintain the liability at 50% unless you can provide documents to prove that cannot made an U-turn on that road.

Thank you.

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy.
Any inconvenience caused is much regretted.

WITHOUT PREJUDICE

Dear Sirs/Mdm,

We attached herewith our insured's video footage for your viewing. The video shows that your client's vehicle was changing lane. By the lane markings he should turn into the second lane but changed lane into the 1st lane to the right. Although our insured is making a u-turn he is turning into the 1st lane.

As such, we have our principal instruction to propose 50% liability to your client claim.

Thank you.
