Brief Details.

On 06/08/2019 at about 1330hrs, I was driving along Newton Rd towards Newton Circus near Hakka Methodist Church on the first lane of the three lane road. Suddenly, a taxi SHD3123T driving on the third lane turned right into the first and second lane, seemingly attempting to make a U-Turn. I could not stop in time and my car collided with the right side of the taxi. The taxi driver did not seem injured. I felt pain on my back and the neck. My car suffered damages at the front where the bumper and bonnet came off. The taxi suffered damages on the right side doors. Neither traffic police nor ambulance came to scene. I saw a doctor at Raffles Medical and was given three days MC for my back and neck.
