Brief Details.

On the 26/02/2020 at about 1130hrs, I was driving my vehicle GBJ535Y along Upper Bukit Timah Road towards woodlands. I was on the second lane from the right. I was driving and wanted to change to the right lane to make a U-turn and indicated a right signal.

As I wanted to move, another vehicle SHF1562L came from the back in hurry and overtook another vehicle from the left and then try to overtake my vehicle from the right. I was still on my lane but as that car could not control, his left front hit onto my right rear of the vehicle and moved forward causing scratches on the right side of the vehicle.

There is a witness from behind who saw this happening. I had pain on my shoulder and saw the doctor. At the first consultation, I was given two days MC and at the second consultation was given 3 days MC. I did exchange particulars with the driver.

The name of the witness is Ong Kok Eng S1694949C HP: 93688900
