Dear Kah Leong,

We refer further to the below email.

It was initially reported that Insured vehicle accidentally collided to TP vehicle and Insured Driver was suspected to be "drink driving".

TP repairer now provided to us a copy of the PIR that shows Traffic Police will **not be taking** any further action against Insured for Drink Driving, however, action was taken for Careless Driving causing hurt (see attached PIR).

Kindly advise if no issue to the policy and if we can do Direct Settlement as TP repairer is chasing for liability clearance.

Thank you.

Best Regards,
