POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. E/20200227/2054

On 26/08/2020, the customer called my company and informed us that something had drop out from the vehicle and request us to send our staff down to repair it. My staff went down and saw that there was a dent on the vehicle rear bottom left and something from the vehicle around that area had drop out, my staff then inform our company.

We told the customer that the damage was hit by an object however the customer's husband kept on insisting that it was a wear and tear and gave us a answer as no they are not going to pay for the damage. The customer then mention that she did not got into an accident and did not hit anything as such it might be someone else hit on to the car.

At first they refuse to allow us to take the vehicle back to our workshop to record down the damage as they kept on mentioning that they were busy this whole week and only able to hand over us the vehicle next week. After we mention that we have to take the car back for insurance and police reporting purpose, they then allow us to take car back.

Yesterday and today, my company have been requesting them to meet up to settle this issue however they kept refusing and kept on insisting that they are not going to pay for the damage.

We are making this report for record purpose.
