Subject: RE: Police Investigations - G/20190924/0038

Dear IO Alfin

I refer to your email dated 29 November 2019.

We can carry out an inspection to check on the steering system and braking system of the PMD. This will be done through visual examination and operating of the PMD. We will put up a written report thereafter on our findings. Our fees will be \$450/- (excluding gst).

However, if there is dismantling required for example braking system not effective and require further checks, then the PMD would have to be brought to an external shop in Ang Mo Kio where some

dismantling would have to be done in our presence for further checks on the braking components for example. Additional cost for dismantling may range between \$150 to \$200/- depending on the complexity (direct cost to the labour required). The findings gathered will also be incorporated into our written report.

Best Regards,

Bryan Ang

Dear Sir

We spoke. The police is currently investigating into a coroner's case.

2 I understand that LKK Auto Consultants Pte Ltd are able to do inspection and check if there is any mechanical fault with the PMD and would provide us with a written report.

3 Kindly let me know in details on the arrangement to send in the PMD for checks and also on the charges.

Thank you
