Brief Details.

Reference to traffic police report: T/20200228/7003.

I would like to add some information to the traffic police report. The owner of vehicle B sent me a video on Whatsapp showing the footage of the accident.

According to the video, vehicle B (SLJ2742J) cam recorder shows that he collided into my vehicle and I surge forward. However, there was a vehicle at the left hand side of the vehicle bearing registration: Vehicle D (SGZ5913M). He is occupying half of the lane and road shoulder as well. However, not sure, if the vehicle B did collided into vehicle D.

I overtook vehicle D as he was moving to the road shoulder and I am unsure of his motive.
